Commissioner for Patents

Certain references on the information disclosure statement filed 09/09/2011 fail to comply with 37 CFR 1.97(d) because they lack a statement as specified in 37 CFR 1.97(e). It has been placed in the application file, but the information referred to therein has not been considered. Consequently, these references have been lined through on the attached signed copy of the IDS form. The remaining reference (CA2513535, Berka et al) is accompanied by the appropriate fee and statement under 37 CFR 1.97(e). Therefore this reference has been considered.
